

IN THE CLAIMS

The following claim listing replaces all previous claim listings in this application:

Listing of Claims:

1-3. (Canceled)

4. **(Currently Amended)** A method for delivering fuel from a fuel chamber to a fuel cell comprising:

allowing gaseous product from an anode chamber of a fuel cell system to be introduced to the fuel chamber;

creating a pressure differential between the fuel chamber and a destination for the fuel; and

releasing the pressure in the fuel chamber to the destination area; and

driving fuel contained in the fuel chamber to the destination area as a result of the release of pressure.

5. (Previously Presented) The method according to claim 4, wherein the destination area is an anode chamber of the fuel cell.

6. **(Currently Amended)** The method according to claim 4, wherein the destination area is a mixing chamber of in the fuel cell system.

7-9. (Canceled)

10. (Previously Presented) A method for delivering fuel from a fuel chamber to a fuel cell comprising:

allowing gaseous product from an anode chamber of a fuel cell to enter the fuel chamber; and

using the gaseous product to drive fuel from the fuel chamber to the fuel cell.

11. (Canceled)
